To Whom It May Concern

I would like to state that I have found the waterproof socks made by the SOCKSHOP to be extremely comfortable.

They are made from strong material, breathable and most importantly, easy to put on and also easy to remove. I have always loved items from the Sockshop.

There used to be an outlet based at Manchester Airport. Whenever I would go abroad, I would visit the shop and buy some socks for family and friends. They would love them due to their comfort and protection of the feet from the cold.

I would definitely recommend the waterproof socks to my friends. I can confirm that they are exactly as described; waterproof and breathable. A Muslim can wipe on them during Wudhu.

I would also like to add that there are a number of other companies who also make Wudhu socks, but these are the best I have come across so far.
